

## Huskies go on livestock killing spree

DOMESTIC dogs went wild and attacked livestock during a "frenzied" 36-hour killing spree in Bridport. Dorset Police believe two Husky dogs were responsible for gruesome attacks on sheep at two smallholdings in West Bay and off East Road.

The vicious attacks continued the following day when a

group of alpacas were chased and one killed by the dogs in the Skilling Hill area around 4:15pm.

A member of the public helped police catch the dogs, which were placed in kennels and put down by vets the next day.

Dorset Police are talking to the dogs' owner as part of its investigation into the attacks, which began on October 24th.

Brian Martin was caring for his son's seven sheep when he was called to the smallholding near Mill House, off East Street. The retired building contractor pulled two savaged carcasses and three live animals from a nearby river.

He said his son Dale's ewe and ram, which were treated as pets by his two young grandsons, were killed in what he described as a "sheer, frenzied attack".

The 67-year-old said: "I was over the moon when I heard the dogs had been caught and killed. Before the police even caught them I said the dogs should be put down because they had the killing instinct."

"They were back to nature like a killing dog, like a wolf, and couldn't stop killing. If they hadn't been caught and put down they would've gone on killing. They were savage dogs."

Patricia Morcom blamed the dogs' owner for the attacks, which left an ewe dead and a ram mutilated so badly it had to be put down at her smallholding in West Bay.

AS Remembrance Day approaches, we speak to John Hunt, fondly known locally as "Army John", from Lyme Regis, who served 24 years under several cap badges and travelled the world during his Army career.

Originally from the Isle of Wight, John first visited Lyme Regis after reading about the town in a novel in 1988.

He now lives here permanently and is a member of several local organisations, including the Royal British Legion Lyme Regis Branch, for which he will take over the role of treasurer later this year.

### ■ WHEN did you join the Army?

I first joined the Army in 1984 when I left school, aged 18. I have given 24 years coloured service, as I left before briefly, and have served in several different regiments, including the Royal Chrous Signals, the Devon and Dorset Regiment which then became The Rifles.

### ■ WHY did you decide to join?

I wanted to do something exciting with my life. I wanted to leave home, see the world and do something challenging.

### ■ WHERE were you based?

I travelled all over the world. Some of the places I was based were Hong Kong, Germany, Northern Ireland, Berlize and Iraq.

### ■ WHERE was the best place you visited during your Army career?

Hong Kong was my favourite place. I was young and it was a great lifestyle with lots of different people.

### ■ WHY did you move to Lyme Regis?

I read about it in a novel, but not "The French Lieutenant's Woman"! I hadn't heard of that. Geoffrey Household wrote "Rogue Male" and it in the hero goes to Lyme Regis. The author described it so nicely so I came here in 1988. I came for one night really and have stayed here since!

### ■ WHAT do you like about living in the town?

Its insularity. Everyone knows everybody else and no one can have a secret here. If you have a problem you can share it, and people usually do.

The small things which are irrelevant elsewhere are

important to everyone here, and they probably should be. I don't mind people talking or gossiping about me. It's better to be talked about than forgotten.

### ■ WHAT would you change if you could?

Nothing really. Maybe the attitudes of some people. For example, I think the Three Cups Hotel has stayed closed for over 20 years because of the attitudes of some people.

ple who don't want it to be anything else, and certainly not because of Palmers.

### ■ WHY did you join the Royal British Legion?

The army gave me a great life. I've seen a lot of my mates injured or killed and I respect the old who responded to the call of duty and sacrificed themselves in hideous wars. They did this on our behalf and I think I should be doing something on their behalf.

As old soldiers fade away, so their needs become more important, and the need for the Legion to keep going and funds to be raised never slackens.

### ■ WHAT are your other personal interests?

I'm groundsman at Uplyme and Lyme Regis Cricket Club, a member of St Michael's Parish Church choir and of Lyme Regis Operatic Society. I also enjoy walking, watching football and going to the pub!

### ■ WHERE is your ideal holiday destination?

My ideal holiday destination would be a cruise down the South Atlantic to visit all our remaining tiny posesion there.

### ■ WHAT would you do if you won the Lottery?

I suppose we could finish paying for the new church organ and repair the clock tower. But I have to point out that I haven't, so please donate generously!

## Hospital cuts review set for this month

A REVIEW on proposed cuts to Bridport Community Hospital Services will be held later this month.

A joint report from NHS Dorset and Dorset County Hospital will be considered by the Dorset Health Scrutiny Committee on November 29th.

A total of six departments at the hospital are under threat as the DCH NHS Foundation Trust looks to review services in a number of community hospitals.

Closure fears come after NHS Dorset served a six-month notice period on the existing contract with the Dorset Healthcare University NHS Foundation Trust.

The need to keep outpatient, radiography and surgery services was highlighted when town and district councillor, David Tett, was told he faced an 18 week wait to see a consultant.

Councillor Tett was told by a doctor to see an ear, nose and throat specialist at Bridport Community Hospi-

tal, but could not book an appointment until next year.

He has since decided to go to Axminster Hospital in Devon to see a consultant.

Councillor Tett said: "I saw a doctor on Monday night and he wanted me to see an ENT consultant and gave me a telephone number to ring, and said 'I suppose you want to go to Bridport'."

"So I rang for an appointment and Bridport Community Hospital said it would be an 18 week wait.

"I wanted to get an appointment quickly within two to three weeks and they gave me 18 weeks, talk about early next year, and by that time the decision on closures will have been made."

He added: "This is very much the thin edge of the wedge in the cut back in services. I'm hoping we can stop it, that's why I raised the issue at district council."

Following the announcement of proposed closures last month Councillor Tett asked West Dorset District Council to write to Dorset

County Hospital NHS Foundation expressing its concerns.

WDDC leader Councillor Robert Gould then spoke to the DCH NHS Foundation.

He said that while the public sector faced challenging times healthcare was still of vital importance.

He added: "I have been as-

sured by NHS Dorset that they will be working with Dorset County Hospital to develop an engagement plan to ensure that patients and the public have the opportunity to give feedback on, and help shape any proposals that are developed as part of the new review."

A spokesperson from NHS

Dorset said: "NHS Dorset and the shadow GP Clinical Commissioning Groups are analysing the full implications for patients, staff and the hospitals.

"Following this review, a new contract will be developed which will reflect any changes in the way services are delivered."

## Powerstock school to re-open next week

PUPILS are set to return to fire ravaged Powerstock Primary School.

Safety checks are being made at the school after ahead of pupils returning to their studies next week.

A huge fire destroyed the main Victorian part of the building in the early hours

of Monday, October 24th.

It is believed an electrical fault was the cause of the fire.

Students at the school were unable to return this week following the half-term holiday while safety officials continued checks on the building.

Staff and governors met on Friday, October 28th to discuss the re-opening and hope pupils will be able to return on Monday, November 7th. Parents were updated of the situation over the weekend.

Headteacher Jean-Paul Draper said: "We are hoping to reopen next week, but this is dependent on getting clearance from the electricians.

"The fire started as a result of an electric fault and though the newer buildings weren't affected we want to ensure everything is safe before the children return."

The fire occurred during half-term and no-one was hurt in the blaze.

## Livestock attacked

**CONTINUED from page 1**

The animal lover said: "The dogs had to be destroyed, there was no choice. Once they have tasted blood you just don't know what will happen next, but I'm very, very angry at the owner for allowing their dogs to run loose and I hold them responsible."

PC Scott McGregor, of Bridport Police, said they believed the Husky dogs were responsible for the other livestock attacks.

He said: "There were three incidents in the space of 36 hours which resulted in animals being killed, it's very gruesome; I've seen the pictures of the carnage the attacks caused.

"It's not just the effect on other livestock but the trauma caused to farmers and smallholders."

He added: "Never assume that just because your dog is typically gentle and calm that it could never be a threat to other animals."

Anyone with any information about livestock worrying should call Dorset Police on 101. Anyone wishing to report a stray or missing dog should contact West Dorset District Council on 01305 251010.

## Downton Abbey star joins CLA 'Can't Get Online' campaign

RURAL champions, the Country, Land & Business Association, have launched a campaign designed to highlight the problems of rural areas still struggling to access broadband, and have the backing of a top television celebrity who also suffers the same problem.

The CLA's campaign 'Can't Get Online' is a counterbalance to the Government's week-long promotion running this week (from October 30th until November 6th) encouraging people to get online.

The association's aim is to ensure that every rural business and household can access a broadband connection of at least five megabits per second.

The problem, according to CLA experts, is that a fifth of rural England still cannot access even modest broadband speeds.

The campaign has already won the backing of *Downton Abbey* star, Hugh Bonneville, who plays the Earl of Grantham in ITV1's popular period drama.

Hugh lives in a village just 40 miles outside London but he says the broadband connection is "pretty pathetic" and wants infrastructure companies to give the countryside a chance.

He said: "I'd love to run aspects of my work from home; I'd love to sign up for services that stream content but the connection's just too unreliable. Some days I can't even send an email and there doesn't seem to be much I can do about it."

The week-long 'Can't Get Online' roadshow, which is sponsored by the CLA, will see IT and social media expert, John Popham, touring rural communities across England to highlight the difficulties they face in getting online.

He will be encouraging people with inadequate or non-existent broadband to find a friend with a broadband connection and sign the CLA petition calling for a minimum universal service commitment of five megabytes.

CLA South West director, John Mortimer, said: "In

today's world it is just not acceptable that broadband providers can choose to ignore rural areas.

"The Government wants us to fill in tax returns online because it's more cost-effective and schools expect children to do homework online.

"This is only possible if homes and businesses have access to superfast broadband - internet service providers must be persuaded to bring broadband 'not-spots' up to speed rather than making the already fast even faster."

People can sign the CLA petition at [www.cla.org.uk/Policy\\_Work/Petitions](http://www.cla.org.uk/Policy_Work/Petitions)

Anybody who cannot access the petition can call the CLA regional office and leave their details to be added to the petition. The CLA in the South West can be contacted on 01249 700200.

# Local runners do their bit for charities in Great South Run

CHARITIES are set to profit from the efforts of local runners who took part in the Great South Run which took place in Portsmouth on Sunday.

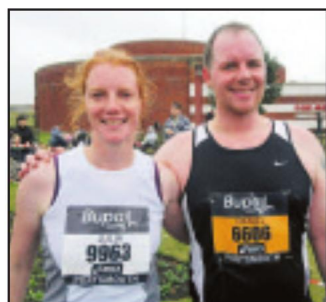

The ten mile race around the historic naval city involved 24,000 runners of all abilities from world marathon record holder Abel Kirui who finished second to world 10k and 15k record holder Leonard Komon, to celebrities and the general public running to raise money for their specific charity.

Julia May and her twin brother Daniel Broom, both from Bridport, exceeded their target of £500 running in aid of the Paediatric Intensive Care Unit at Southampton Hospital, where Julia's son Luke received lifesaving surgery including the removal of one of his lungs at three months old. Now two and a half years old, he spent a year in hospital but is now making rapid progress towards recovery.

Neither was able to train as much as they would have wished, but both finished in respectable times. Dan, for whom this was his third consecutive year, ran a time of 1:28:55 and was disappointed he was five minutes slower than last year.

"I ran the first five miles in 40 minutes on schedule, but the reoccurrence of a knee injury at six and a half miles slowed me considerably."

Julia, who finished just behind her brother in a time two and a half minutes faster than last year, said: "I was a bit rusty having not been able to train as much as I would have liked, but am glad we achieved our target for a very worthy cause."

■ JULIA May and twin brother Daniel Broom congratulate each other at the end of the run

by Stuart Broom

She had the added bonus of having her photo taken with former GB 400m and World Championships Gold medallist Iwan Thomas MBE, who she met in the car park as they were leaving; Iwan also having run.

Sarah Horton, who works in Boots in Bridport, is well known for her charity runs having taken part in a number now for a variety of causes and again produced a pleasing result both running and through sponsorship.

She took part this year with her nephew Greg Horton from Beaminster, and they too between them have secured sponsorship in excess of £500 for Parkinson's UK which in their case will be doubled by their employees, Boots and Barclays Bank PLC respectively.

Sarah clocked 1:39.29 about two minutes outside her time last year, whilst Greg running for the first time achieved a very creditable 1:25.07.

Sarah said: "It was pretty hard coming along the seafront at Southsea where we had to run the last two miles into a strong wind."

Greg added: "I really enjoyed it and hope we can do it again next year."

## Fashion show big hit for Julia's House

A FASHION show organised by the Bridport branch of Julia's House was a resounding success, with over £700 raised to towards the charity's funds.

The event, the first of its kind, was organised by manager Diane Cook and her staff and held before a large audience at the United Church Hall.

It featured eleven models who displayed only items donated to the charity.

The evening included clothes and accessories to cover a variety of occasions, expertly compered by Maggie Barbour who described the items in detail.

Comedian Gary Bull, who is a JH volunteer, kept the audience laughing throughout the evening which began with an introduction by Penny Saunders, a mem-

ber of Bridport Friends of Julia's House, who help raise awareness of the charity.

Between breaks in the fashion parade, the audience were able to enjoy refreshments supplied and paid for by the Bridport branch staff as well as take part in a raffle and peruse accessories from the shop.

With the hall having been sponsored by Don England and Derek Homer, all the money taken on the night went directly to the charity's funds.

Diane Cook said: "It was a great success and the hall was filled almost to capacity which was great."

"There was a lot of interest in the items modelled which have all been donated, and there has been good feedback on people enjoying the evening."

# Textiles company celebrates 40th anniversary

A SPECIAL milestone in a Bridport company's history was marked with a seven-day celebration.

A week of events marked the 40th anniversary of Livingstone Textiles' four decades of trading in the town.

The 'Livingstone Memories' week had an exhibition of memorabilia, a tour of the building and a 'Bring Your Item' day where customers were invited to showcase items made from materials brought from the company.

The fabric supply business has

been going through a revamp in the way it does business since it was bought by husband and wife team Tom Baldry and Megan Standage last year.

Mr Baldry said: "We wanted to mark the anniversary of the company because it is a bit of a West-country institution. People have been coming from all over the area to buy fabric here for 40 years."

"It was going to close last year but we took it on and everyone has been so nice about the fact it

has stayed open.

"So we thought it would be nice for people to come and look around the building and make an oral history of the company for Bridport Museum."

The pair, along with its four employees, welcomed former owner John Lloyd and his wife Cheryl to the celebrations. John is the son of the company's founder, the late Arthur Lloyd.

Livingstone Textiles employee Anne Orchard said they felt unable to let the milestone go by without making something of it.

The sales assistant said: "We all felt very happy about celebrating the anniversary, seeing old staff came back and finding out the ways the work was done in the past, which gave us ideas we can now use in the future."

She added: "It was very enjoyable and a lovely bit of nostalgia. It was a chance to think about how long the company has been here and hear stories, which was great."

"People had very warm memories of coming here over the last 40 years and we all felt really good that we are a new team but are taking over a traditional business."

"So, whilst we are bringing in new ideas, we are building on 40 years of people having a fondness for Livingstone Textiles."

## Halloween fun at Bridport Leisure Centre!

CHILDREN got into the Halloween spirit during a festive themed activity day at Bridport Leisure Centre.

The spookily themed day had Bridport youngsters designing and making Halloween inspired pictures, paper chains and decorated cakes.

The day of activities is the most popular in the leisure centre's diary of events throughout the year, said activity co-ordinator Marnie Welch.

She said: "Every holiday throughout the year we try and hold a themed craft day such as Easter or Christmas or Halloween.

"The day is based around team work with the kids all helping each other to draw pictures or design cakes. It's just something they really enjoy and especially when they are able to take something home afterwards to show their parents."

Marnie's mother Lizzie Welch helped out during the day.

The St Mary's Primary School teaching assistant said: "It was really good fun. The children all joined in and were so willing to work hard on making cakes and different things."

## Spooky goings-on at Wonderland Nursery

WONDERLAND nursery and preschool in Bridport was invaded by a spooky gaggle of witches, wizards, devils, vampires, skeletons and ghosts for Halloween.

Both the little (and big) monsters enjoyed Halloween themed games and competitions including apple bobbing, scary dance competition, scariest face competition and a Halloween themed treasure hunt.

# First community event for

THE FIRST community event for the residents of Court Orchard was hailed a huge success by two Bridport town councillors who helped organise the Halloween celebration.

Following some anti-social behaviour in the summer, Homewatch and residents groups were formed following meetings hosted by Magna Housing Association, with the aim of bringing the community closer together by provid-

ing entertainment and activities for young and old.

The Scout Hut at Flaxhayes was packed to celebrate the first event with hundreds turning out to enjoy food, fun and games throughout the day which proved a resounding success.

"This was even better than we expected. The hall was packed to

the rafters for the children's party," said Councillor Phil Lathey, who, along with District Councillor Ros Kayes, was one of the organisers that also aimed to integrate the new Dibdin View residents into the existing estate.

The day started with a Big Breakfast with Phil Lathey donning the chef's hat where residents were invited to enjoy a free breakfast, whilst the evening's Halloween celebration involved a

disco and fancy dress competition for the children allowing the parents to relax and enjoy a cuppa or stronger with their neighbours.

Members of the new residents community group, local councillors and safer neighbourhood team were also present to answer any queries or listen to residents ideas.

"Phil's cooking proved an irresistible draw for the big breakfast" said Ros.

"We also got lots of offers of help

and ideas from members of the community.

"I would like to thank the brilliant police community officer's Mark Jones and Andy Burdess who decorated the hall, and without whom none of this would have taken place.

"I would also like to thank Aidan and Lauren who printed the leaflets, Joan and George who delivered them, Amanda Downes who organised the disco, and

everyone else who has been involved in the Homewatch and resident's committees who came along to help.

"Finally, because of the enthusiasm of residents, we are working towards getting together a facility that everyone in the community can use, both for support and to have fun! Future plans include regular bingo and a Christmas party as well as holiday activities for children."

# Court Orchard a big success

Janine Paull-Sellick, who collected prizes and provided food for the afternoon Halloween party, said: "We need to think about becoming a charity to start fundraising for future events, and get people involved with

some really fun things. It was lovely to see so many people there, and I can see how we can all become a closer community; if people are only able to give a little bit of their time every few weeks we can really get

something good up and running here."

The organisers would like to thank the Scouts for the use of the hut, Magna and Raglan Housing for financial support for the event, and the wide range of gener-

ous local traders who donated prizes for fancy dress, especially Waterstones who donated over £100 worth of goods, including Twilight bags, 't'-shirts and games, as well as Dr Who collectors cards.

Also Double Drive (iPod); WH Smith (colouring pencils); Bridport Record Centre (headphones) and Toymaster.

We also had generous donors of food including: Denhay (two boxes of

bacon); Co-op (apples for apple bobbing and sausages); Morrisons (sausages, bacon and a food voucher).

● Fancy Dress winners were:-

Up to five: Sadie Roach (beautiful pink witch) -

Meerkat / Toymaster; Connor and Madison Paull-Sellick - Glove puppet / Frosts; Luke - football;

Five to 10: Ellie Wellman - Twilight 't'-shirt and bag / Waterstones; Jacob Collier and Elliot

(superb pair of skeletons) - a bag full of creepy crawlies; Nicola (excellent witch) - iPod / Double Drive;

11 to 16: Ben Roach, Mary and Ali - Twilight board games / Waterstones; Andrew Criddle - Dr Who collectors cards / Waterstones; Chloe Shepperd - Twilight 't'-shirt and bag / Waterstones.

A weird and wonderful selection of quality costumes made decisions hard for the judges Ros Kayes, Aiden Costello-Fox and Lauren Taylor who claimed: "We could have given prizes to all of them!"

TOP GAME | Apple bobbing at the Halloween evening was a great success

## Great line-up for book festival

THE full programme for Bridport's inaugural book festival has been announced.

Next month's Open Book Festival promises something for the whole family from magic to studies of musicians Bob Marley and Bob Dylan.

The seven-day celebration of all things literary will feature music, film and writing workshops.

Confirmed guest appearances include Poet Laureate Carol Ann Duffy visiting schools and South West based children's writer Barbara Spencer, author of the Jack Burnside adventure books, and illustrator Charles Fuge.

The week-long event begins with a poetry and magic performance by Dorset-based Paul Hyland, and include 'Big Reads' for both adults

and young people, poems in shops and exhibitions. Local writers are set to perform every lunchtime throughout the week in free performances at the Beach and Barnicott and Bridport Arts Centre.

Organisers are hoping the event will build on the town's burgeoning literary reputation built by Bridport Literary Prize.

There will be events featuring past Bridport Prize winners, memoir writing and storytelling with the prize's 2012 winners announced on the closing day of the festival.

The festival runs between November 19th and 26th at Bridport Arts Centre and other venues.

For full details and booking see [www.bridport-arts.com](http://www.bridport-arts.com) or pop in to the Arts Centre and pick up a brochure.

# Munch Club celebrates its first birthday

A WEEKLY lunch club for parents and young children has celebrated its first birthday in style.

The St Mary's Munch Club began life last year with just five mums but has quickly grown in popularity, with more than 60 attending some sessions.

The volunteer-run club, held every Wednesday in the St Mary's Church Hall, offers parents of pre-school children a hot lunch and somewhere for both them and their children to meet and make friends.

On its first birthday last week everyone at the club enjoyed a jacket potato lunch followed by homemade birthday cake.

After lunch the children took advantage of the celebrations with face painting,

by Tom Glover

sponge printing, a bubble machine, parachutes and music with Munch Club regular Harry Britton.

As well as providing a place to eat and meet friends, Munch Club also offers the 'Say one for me' and the popular 'Cupboard Love' schemes.

"Say one for me" allows parents to anonymously request church members to pray for them in times of trouble and the 'Cupboard Love' scheme offers food and baby items, donated by church members, free of charge.

Volunteer Chloe Evans-Lippett, who has

been a member of Munch Club from the start, said: "It's a safe place to come and feel cared about. There are so many friendships born out of Munch Club, there is a wonderful feeling of being part of a community."

"It's really important when you've got young children to know you've got somewhere you can go to have a laugh, feel looked after and just relax."

The next Munch Club session will be on Friday, November 4th from 12:30pm to 2:30pm, and sessions will be weekly on a Friday from then on.

Sessions cost just £1.50 for adults and 50p for children and once a month a "Free Friday" session is held, with free entry for everyone.

## Emily's fundraiser for epilepsy charity

EMILY Herbert, aged nine, held a 'tea break' in aid of Epilepsy Action at her family's home in Loders last Friday.

The event was part of the charity's National Tea Break with hot drinks, cakes and biscuits on offer, alongside a raffle and book sale.

Emily, who goes to Burton Bradstock Primary School, suffers with epilepsy herself, but has it controlled by the medication she takes everyday.

She held the coffee and tea morning to help others in the same situation as her.

Many local villagers, friends and family supported the event, which raised more than £280.

Emily is pictured serving tea and cake to one of the event's supporters, Sonia Nitti.

## Museum Friends learn about piscinas and stoups

DAVID Young took the Friends of Bridport Museum on a fascinating tour around the medieval fabric of Dorset churches last Wednesday.

The group learned about piscinas, used for washing the communion vessels, and the stoups which held holy water, usually near the entrance door.

David is pictured with Elizabeth Gale, chairman of the Friends of Bridport Museum.

The group's next meeting is on Wednesday, November 16th at 2:30pm in the St John Hall, when John Lipscombe will give a talk called 'It all began with a matchbox...'

## Autumn Leaves and Pumpkins

WE don't celebrate Halloween, honestly! We just love Autumn and the oranges and browns surrounding us. We made some great leaf collages with Lucy, but used 'edible' glue so some of the leaves are sadly falling off as they dry out. We've had our hollowed-out Pumpkins since Mark and the children made them last Sunday, and use them

as flickering table decorations at supper-time, to cheer up the dark old evenings since the clocks altered. The Balloons were bought by Mandy and although you can't see it in this picture, they each have a light in them and are great fun to bat around as the evening draws in.

▲ Autumn Leaves and Pumpkins

## Autumn Sunshine

It may seem as though we have had nothing but wind and torrential rain this October, but in fact we have had some amazing Indian Summer days, as this picture of Lucy and her team sitting among the lengthening shadows proves. They were thoroughly enjoying being read to until my camera disturbed them from an upstairs window. Ah well, now

November is finally here, I suppose we will have to accept we may not sit in the garden for a while. However, Margaret's daughter has done an amazing pruning job since this picture was taken, so the earth will have time to breath and the plants recover before they burst into life again in the Spring. THANK YOU, Judith.

## Marian and the Kittens

MARIAN says she thinks the kittens are a nuisance and would far rather we had a dog – but look how often she sneaks a cuddle!

She's not very impressed with the rabbit we now have and thinks it should not come indoors at all.

What's the betting she'll have it on her knee next time I walk around with the camera?

▲ Marian and the kittens

## Margaret's 95th Birthday

▲ Margaret's 95th Birthday

MARGARET celebrated her 95th recently and was thrilled with the Butterfly cake Jacqui made her, together with the buffet tea we all enjoyed with her.

Sadly, she was taken poorly on Monday but as I write, I expect to get the "Come and get her" phone call from Dorchester County Hospital any minute now.

Many thanks to great-niece Maxine for all her courage and care, and "Welcome Home, Margaret!"

## "Dem Bones" - £5.00 REWARD offered!

CHRIS from the Lyme Regis Museum brought a sample of his bone collection to show us the other day.

Marian may look cross in this picture but her interest in natural history is amazing.

Chris, Audrey's daughter is holding an animal skull that has caught her eye – although she really only attended the session because of her husband Terry's interest!

IF ANYONE CAN GO TO THE MUSEUM and IDENTIFY TO CHRIS the animal that owned the skull when alive, Clarondene will donate £5.00 to the museum funds. That's a good offer, isn't it?

## County council set to offer community grants from 2012

ORGANISATIONS and community groups can access a new fund to help local communities.

Dorset County Council has committed a sum of £865,000, over a two-and-a-half year period, to a new programme of grants for voluntary and community organisations and parish and town councils. The programme is being administered by the Dorset Community Foundation.

Individual grants will be worth up to £7,500, with the first grant to be awarded early in 2012.

The county council, in partnership with NHS Dorset, is also funding Dorset Community Action and the Volunteer Centre Dorset to provide training, funding advice and volunteer support to voluntary and community groups.

Dorset County Council leader Angus Campbell said: "These organisations make a huge difference to people's quality of life in Dorset and, at a time of budget reductions, the county council has given priority to protecting the support provided to town and parish councils and community and voluntary organisations.

"We recognise that voluntary organisations need money and access to training and advice in order to thrive, and we are delighted to be providing both, despite the challenging economic climate.

"This funding will help build capacity, enabling organisations across Dorset to bring benefits to their communities."

# Schoolkids enjoy National Roast Dinner Day

**TUCKING IN** | A pupil is pleased to have his Sunday roast a few days early

PRIMARY school pupils tucked into roast dinners this month as Bridport-based catering service, Local Food Links, looked to raise awareness of locally sourced food.

Pupils around Bridport tucked into the Sunday favourite as part of National Roast Dinner Day 2011, on Wednesday, October 12th.

The day is an initiative set up by the Food for Life Partnership, which invites every school and school caterer from across England to join in and celebrate the food that schools are serving, as well as the commitment of catering companies to provide healthy, freshly prepared meals. Local Food Links provide freshly prepared meals for over 23 schools across Dorset, and contributed towards

breaking the initiatives record from last year of serving over one million roast dinners in a day.

The company served up a menu of local baked ham or homemade cheesy courgette sausage served with roast potatoes, seasonal veg and gravy, followed by Dorset apple and blackberry crumble and custard.

Although National Roast Dinner Day is designed for schools, Local Food Links also celebrated the day and goodness of locally sourced food through their other initiatives, including their 'Meals on Wheels' service for the older community and Chancery House day centre.

**DURING NOVEMBER** each year, Movember is responsible for the sprouting of moustaches on thousands of men's faces in the UK and around the world. The aim of which is to raise vital funds and awareness for men's health, specifically prostate cancer and other cancers that affect men.

On November 1st, guys register at Movember.com with a clean-shaven face and then for the rest of the month, these selfless and generous men, known as Mo Bros, groom, trim and wax their way into the annals of fine moustachery. Supported by the women in their lives, Mo Sistas, Movember Mo Bros raise funds by seeking out sponsorship for their Mo-growing efforts.

Mo Bros effectively become walking, talking billboards for the 30 days of November and through their actions and words raise awareness by prompting private and public conversation around the often ignored issue of men's health.

At the end of the month, Mo Bros and Mo Sistas

celebrate their gallantry and valor by either throwing their own Movember party or attending one of the infamous Gala Partés held around the world by Movember, for Movember.

#### **The Movember Effect: Awareness & Education, Survivorship, Research**

The funds raised in the UK support the number one and two male specific cancers - prostate and testicular cancer. The funds raised are directed to programmes run directly by Movember and our men's health partners, The Prostate Cancer Charity and the Institute of Cancer Research. Together, these channels work together to ensure that Movember funds are supporting a broad range of innovative, world-class programmes in line with our strategic goals in the areas of awareness and education, survivorship and research.

#### GENERAL RULES FOR MO GROWING

These rules are for all Mo Bros to abide. Breaking of these rules constitutes disqualification from official entry and judging for the 'Man or Movember' at the Mo Party.

1. Once registered at [movember.com](http://movember.com), each Mo Bro must begin with a clean shaven face.
2. Then, for the entire month of November each Mo Bro must grow and groom a moustache.
3. There is no joining a the sideburns, this is a beard.
4. There is no joining of the handlebars to your chin, this is a goatee.
5. Each Mo Bro must conduct himself like that of a true gentleman.

#### HOW TO GROW A MOUSTACHE

1. Ask yourself the question, who do you want to be? For every style of moustache there is a different personality. You will be become that man, you will be treated like that man and you will act like that man. Make sure you know who he is.
2. Be brave. The first few days, even weeks can be uncomfortable and a little awkward as your face goodness grows and your Mo takes shape. Focus on the end game.
3. Ignore the itching. Remind yourself that other men have endured far worse in the past; surely you can stand a little face tickle from your Mo.
4. Start to shape your moustache using proper grooming techniques. A great Mo comes down to grooming.

#### HOW TO GROOM YOUR MOUSTACHE

1. Shampoo regularly. As becoming as they are, moustaches collect thing and no matter how fine the food, it doesn't belong in your Mo.
2. Moustache hair is coarse and benefits from regular conditioning. Massage your Mo with a dollop of conditioner then rinse thoroughly. It will make it softer to touch to both you and your intimate friends.
3. Use hot face washer to steam and cleanse the skin under your moustache that can suffer from drying and itching. For the modern gentleman, out of sight does not mean out of mind.

#### NOTABLE GENTLEMEN WITH MOUSTACHES

1. Tom Selleck.
2. Frank Zappa.
3. Lionel Richie.
4. Freddy Mercury.
5. Salvador Dali.
6. Albert Einstein.
7. Charlie Chaplin.
8. Burt Reynolds.
9. Ian Botham.
10. You, the modern gentleman.

Ahoy there! Pirates at St Mary's

PUPILS in Years One and Two at St Mary's Primary School in Bridport dressed as pirates last Thursday, as part of the 'Sea-themed' project they've been studying.

Throughout the day, the children

by Jenny Hall

made pirate hats, learnt how to act like a pirate, as well as taking part in a treasure hunt in the afternoon.

The day was a successful end to the project, with Miss Proctor, a teacher at the school, saying: "All the children have had a fantastic time, especially enjoying the opportunity to talk like a pirate."

### Christmas Parties...

## Worried about what to wear to your work Christmas meal?

**OH NO**, it's the work's Christmas party coming round again and the stressing about what to wear has started already. This anticipated event needn't be such a headache as long as you follow a few tried and tested rules.

A little clichéd but always a safe bet is the little black dress. Pick a high-necked one if you are flat chested and a scoop or V-neck if you have a larger bust. Make sure the length of your dress is just below the knee,

add some pretty jewellery to show your personality, and you have an outfit that will be great for most work gatherings.

It may be obvious but if you are having a sit down meal, make sure that your neckline is not so low that anyone standing behind you can see all the way down. If you are unsure, a little camisole top underneath your dress can save any embarrassment.

Even if you know the dress code has been described as 'casual', this still does not mean

jeans and trainers. It is always worth asking a couple of your work colleagues who always dress well in the office what sort of outfit they will be wearing. This can give you an idea how smart you need to be.

This is your chance to get to know your work colleagues and impress your boss. So eat, drink (but not too much!) and be merry.

## Chris Rudge Renewable Power Systems

**CHRIS** Rudge Renewable Power have expanded their range of green generation products to keep up with the ever increasing demands of their customers. As well as keeping REC, Sanyo, Kyocera and Suntech Solar

PV modules as current stock at the Seaton warehouse, they have now obtained MCS approval for Small Wind Turbines (up to 25kW) and Solar Thermal, offering expert site surveys and design.

New lower Solar PV installation costs for 2011 have proved to be popular, especially as this is last year the Feed in Tariff (FIT) will be at the current higher rate. From next April, the FIT will be going down for new installations. Anyone having an

installation this year will benefit from the current index linked payment for the next 24 years.

Solar PV systems can now be fully installed from around £6830 for a 2.2kWp system and £12,080 for a 3.84kWp, and all systems now come with full insurance backed 10 warranties as standard. Chris Rudge Renewable Power Ltd also specialise in self contained 'off grid' battery systems for sites that do not have a mains grid connection. These systems are tailor made for each installation, from a remote shed to a complete house or business installation.

For any Renewable Energy requirements you may have, call Chris Rudge Renewable Power on 01297 306114 or go to the website at [www.chrisrudge.co.uk](http://www.chrisrudge.co.uk)

Save energy

solar power

The Solar Power People

Tel 01202 816019

[www.ace-energy.net](http://www.ace-energy.net)

DORSET'S own award winning Ace Energy are the leading suppliers of solar power. Recently they have installed solar at a number of homes within Dorset. With the average electricity bill being around £600 yearly, installing solar on your roof can reduce that bill by up to 50% and provide home owners and landlords with a healthy profit. This is due to the Feed-In Tariff scheme which pays premium rates for power generated from solar power - Dorset households on the scheme are now earning over £850 every year. The tax free, inflation-proof payouts are designed to protect the UK from ever-rising energy prices and help lower carbon emissions. You may have noticed an increase in the amount of roofs proudly showing off their solar panels recently and according to Alan Seviour, Ace Energy's MD, solar has never been more popular.

With interest rates at an all time low investment savvy householders are looking for alternative ways to earn money and solar power offers just that.

# Savers continue to suffer under low interest rates

**W**ith continuing low interest rates, many people who rely on their savings and investments to top up their income have continued to be disappointed with returns. Deposit based savings such as bank and building society accounts and cash ISA's offer a guarantee that your capital amount does not decrease but at what risk? What will the buying power of that money be and is your money devaluing every day that it remains there?

The most important consideration when looking at savings or investments of any kind is diversification, not having all your eggs in one basket and not only avoid holding all your monies in one account but also ensuring that you have a range of assets within your portfolio to ensure exposure to different areas as well as an element of stability though assets with underlying guarantees which can be achieved in a number of ways. The banks are under increasing pressure to make profits, so now more than ever is the time to ensure that you get advice based on what's best for you.

Alison Theobald of Pennywise Independent Financial Advisers can explore all options from across the whole market and has huge numbers of products to choose from depending on attitude to risk right through from basic investment solutions to more advanced bespoke investment management packages.

Fed up with poor returns on your savings and investments or just require a review of your mortgage and protection, call today for your free consultation on 01305 268942.

# Folk icon Julie Felix comes to Bridport

FOLK icon **Julie Felix** will perform at Bridport's Electric Palace on Friday, December 2nd. With her striking looks and with the phenomenal energy that she exudes on stage it's hard to believe that Julie was born in 1939.

Julie left her home in California in the early 60s, hitch-hiking throughout Europe with just a duffle bag and her guitar. After living on a Greek island where she met and performed with another newcomer by the name of Leonard Cohen, Julie arrived in England in 1964. Within a few months she became the first solo folk artist to be signed to a major British record company when Decca released her first album, *Julie Felix*, and a single, *Someday Soon*. That same year Julie appeared on the Eamonn Andrews TV show, and was asked back the following week by popular demand.

In 1965 she headlined the Royal Albert Hall, becoming the first British-based folk singer to fill London's top venue, prompting *The Times* to declare her "Britain's first lady of folk". In 1966 Julie became the resident singer on the amazingly popular TV show *The Frost Report*, quickly becoming a household name.

Brian Epstein, The Beatles manager, booked Julie in 1967 to top the bill with Georgie Fame for a two week engagement at London's Saville Theatre, supported by a newcomer named Cat Stevens. In 1968 she was given her own TV series - the first colour series produced by the BBC. Guests included Leonard Cohen, Jimmy Page, Donovan, Dusty Springfield, Spike Milligan and Richard Harris. Her late 1960s recordings included *Going to the Zoo*, a collection of children's songs on Fontana Records.

In 1970 her series was moved from BBC2 to BBC1, and Julie was signed by hit-maker Mickie Most, becoming the first artist to have a hit on the RAK label with her version of Paul Simon's *If Could* ('El Condor Pasa'). In 1974 Julie signed with the EMI label and recorded the album *Lightning*, touring Japan, Australia and New Zealand. In the late 70's she moved to Norway where the title track of her 1976 album *Hot Chocolata* went to number one in the singles chart.

During her long career Julie Felix has sung out for many causes. She has visited the Middle East as a humanitarian ambassador for Christian Aid, urged New Zealanders not to engage in conscription at a concert during the Vietnam War, campaigned for Latin American refugees, founded Guitars Against Landmines, and marched against the Iraq War in London.

In 2008 Julie celebrated her 70th birthday playing a sold out gig at Gateshead's Sage Theatre. The following year Julie sold out the prestigious Cork Folk Festival, along with every other date on her Irish tour. In 2011 Julie returned to play The Isle Of Wight Festival her performance was every bit as dynamic as her appearance 42 years earlier at the 1969 Isle Of Wight Festival.

After nearly half a century of making phenomenal music nothing's changed, she's still brimming with energy on stage and off, with her performances exuding the pure joy of music. The show starts at 8pm, with doors opening at 7pm. Tickets for Julie's show at the Electric Palace are available from Bridport Music (01308) 425707 or Bridport TIC (01308) 424901, or online from [www.stompinstore.com](http://www.stompinstore.com) as Stompin' Dave has organised this event. Dave is performing at the Electric Palace on Wednesday 16th November with Appalachian Roots from North Carolina, USA.

## A night of shimmying and sparkle from the Arabian nights

JUNO bellydancers are presenting their third annual show at Weymouth College's Drama Theatre on Saturday, November 19th.

The show, called 'A Medley of Middle Eastern Dance', features the local dance troupe plus a number of dancers from across the South and South West.

Michelle Moss, Juno teacher said: "We've had a very busy summer supporting fetes, festivals and charities. We hope that people who enjoyed our performances will come along to our show. This year we are raising money for Exeter House Special School in Salisbury. There is a little boy that we know, who goes to this school. We have performed at his birthday party and he enjoys the movement and sound of our dances." She continues: "The evening will be fun, with lots of different styles of Arabic dance from some of our favourite dancers."

Tickets are £8 for adults and £5 for children and are available from Sproston & Bowden Opticians, High West St Dorchester and So'n'Sews, 24 Westham Rd, Weymouth. For more details or to order tickets visit [www.junobellydance.co.uk](http://www.junobellydance.co.uk).

There will also be workshops during the morning in the dance studio at Weymouth College.

## Library launch for Jurassic Coast dino book!

### Local author to sign copies of illustrated children's story

MEET THE ECOSAURS, a new illustrated children's book by local author Janis Lane, launches this Saturday, November 5th, from 10am-12pm at Lyme Regis Library.

Janis will be signing copies of the book, available at the special launch price of £5 for the event. In addition, children will have the opportunity to take part in and take home a 'create your own timeline' activity, with community art teacher Alison Bowskill.

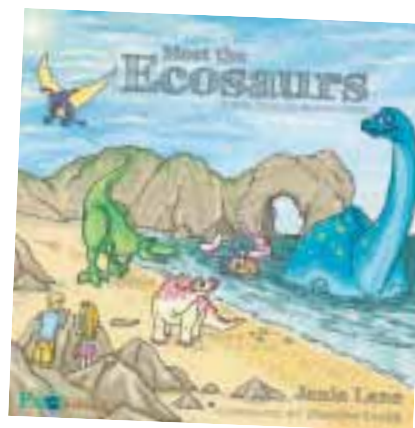

Meet the Ecosaurs is a beautifully realised story, which introduces local Jurassic Coast dinosaurs and other creatures. Written by Lyme resident Janis Lane with charming illustrations by Somerset-based Jennifer Crabb, the book uses historically accurate information as a backdrop for a fantastic storyline, which will thrill, fascinate and educate children in equal measure.

Endorsed by the Jurassic Coast World Heritage Team, the book follows brother and sister James and Tabitha as they meet a group of ecologically minded Jurassic Coast creatures that have travelled through time and space to help their homeland.

In addition to the story, the book features Fact Files, a Make Your Own Timeline activity, and a recipe for a Jurassic Coast Layer Cake (created with input from celebrated chef and food writer Mark Hix) - representing the geological layers revealed along the cliffs of the Jurassic Coast.

"This is a welcome addition to help children learn about why the Jurassic Coast is special. The scientific and geological facts are accurate and this lends a strong learning focus as well as a literacy element," says Dr AK Ford, Jurassic Coast Education Coordinator.

Mark Hix on the Jurassic Coast Layer Cake recipe: "This is a fantastic cake that you can have lots of fun with at home with the kids. It's a great festive cake for all celebration and has that creative educational touch to it. Have fun!"

## Poetry for Pleasure

by Frank McGarry

THIS poem was written by Mary Voice, a girl from the State of Victoria in Australia, who was visiting Lyme Regis in September.

### JURASSIC LYME

Go find a fossil, find an ammonite  
Go find one filled with pyrites, we might  
Go find it glinting after rain, now sun  
Just right for amateurs to chance on one.

Go walk the coastline, see those shaly cliffs  
Imagine slippage, by the tonnage down  
Go see the Jurassic layers, shapes and rifts  
See why the fascination and renown.

Go find a fossil see children's faces shine  
When Paul the guide in fossil hunting gear  
Cracks limestone slabs to see what might appear  
A brief suspense as steel on lime align.

Go find a fossil. Wow! And there it is  
A creamy yellow spiral cradled in the grey  
The wonder on the faces of those kids  
Fossil hunting is the highlight of the day.

Chidiok Tichborne was only in his twenties in 1586 when he was executed in the Tower of London for plotting to kill Queen Elizabeth. The day before his death he sent this poem in a letter to his wife, Agnes.

### ELEGY

My prime of youth is but a frost of cares,  
My feast of joy is but a dish of pain,  
My crop of corn is but a field of tares,  
And all my good is but vain hope of gain;  
The day is past, and yet I saw no sun,  
And now I live, and now my life is done.

My tale was heard and yet it was not told,  
My fruit is fallen and yet my leaves are green,  
My youth is spent and yet I am not old,  
I saw the world and yet I was not seen;  
My thread is cut and yet it is not spun,  
And now I live, and now my life is done.

I sought my death and found it in my womb,  
I looked for life and saw it was a shade,  
I trod the earth and knew it was my tomb,  
And now I die, and now I was but made:  
My glass is full, and now my glass is run,  
And now I live, and now my life is done.

Another man who wrote a poem just before his death was the war poet William Noel Hodgson, who served in the Devonshire Regiment and was awarded the Military Cross. He was killed in 1916 on the first day of the Battle of the Somme. Two days before he died he wrote this.

### BEFORE ACTION

By all the glories of the day,  
And the cool evening's benison,

By that last sunset touch that lay,  
Upon the hills when day was done,  
By beauty lavishly outpoured,  
And blessings carelessly received,  
By all the days that I have lived,  
Make me a soldier, Lord.

By all of man's hopes and fears,  
And all the wonders poets sing,  
The laughter of unclouded years,  
And every sad and lovely thing;  
By the romantic ages stored  
With high endeavour that was his,  
By all his mad catastrophes  
Make me a man, O Lord.

I, that on my unfamiliar hill  
Saw with uncomprehending eyes  
A hundred of thy sunsets spill  
Their fresh and sanguine sacrifice,  
Ere the sun swings his noonday sword  
Must say good-bye to all of this;  
By all delights that I shall miss,  
Help me to die, O Lord.

# THIS WEEK'S NEW RELEASES

IN TIME <sup>12A</sup>

IN the not-too-distant future the aging gene has been switched off. To avoid overpopulation, time has become the currency and the way people pay for luxuries and necessities. The rich can live forever, while the rest try to negotiate for their immortality. A poor young man who comes into a fortune of time, though too late to help his mother from dying. He ends up on the run from a corrupt police force known as 'time keepers'.

Stars Justin Timberlake, Olivia Wilde and Johnny Galecki.

MACHINE GUN PREACHER <sup>15</sup>

BASED on the true story of Sam Childers (Gerard Butler), a former drug-dealing biker tough guy who found God and became a crusader for hundreds of Sudanese children who've been forced to become soldiers. Also stars Michella Monaghan, Kathy Baker and Michael Shannon.

TOWER HEIST <sup>12A</sup>

WHEN a group of hard working guys find out they've fallen victim to a wealthy business man's Ponzi scheme, they conspire to rob his high-rise residence. Ben Stiller, Eddie Murphy and Matthew Broderick star in this hilarious crime caper.

JACK GOES BOATING <sup>15</sup>

JACK (Philip Seymour Hoffman) is a shy and awkward man who drives a limo and lives an unassuming life. His friend and co-worker, Clyde (John Ortiz), and his wife Lucy, feel sorry for Jack and set him up on a blind date with Connie (Amy Ryan). Connie shares Jack's shyness and awkwardness, but through each other they seem to be able to find solace within themselves. Trouble might be brewing in paradise though, as Clyde and Lucy's marriage stumbles just as Jack and Connie's relationship grows.

STRAW DOGS <sup>18</sup>

JAMES Marsden stars as David Sumner in this adapted remake of the brutal 1971 film of the same name.

L.A. screenwriter Sumner relocates with his wife Amy (Kate Bosworth) to her hometown in the deep South. There, while tensions build between them, a brewing conflict with locals becomes a threat to them both.

## Accounts and tax returns to negotiating with the Revenue on disputes

AS a small, family-run business, which we started in 2002, we have always aimed to provide individuals and small and medium sized businesses with a friendly and transparent service. We preferring to quote fixed fees where possible in order so that our clients

know up-front how much we will charge. Our commitment is to provide a professional, convenient and reliable service to all of our clients.

From preparation of accounts and tax returns to negotiating with the Revenue on disputes, we have the necessary expertise and experience to provide you with a service that we hope you will be confident enough to recommend to others. We are proud that a large proportion of our work has arisen out of recommendations from existing clients, and we hope to maintain

this level of commitment to satisfaction.

Our chartered tax adviser (CTA) is able to advise on income tax, corporation tax, VAT, stamp duty and inheritance tax, but her particular favourite is capital gains tax! so, if you have points of concern in any of these areas, why not give us a call to see if we can help you.

We have a small office above Gilly's in Axminster, where you are welcome to come for a free initial consultation, or if you would prefer, you can email us at [query@kadel.co.uk](mailto:query@kadel.co.uk).

## Shire Signs

### 'You name it, we can write on it!'

SHIRE Signs is a small business first established by Clive Lamb in 1988, having served an apprenticeship with BBC contractors for many years.

Shire Signs are able to make your sign if required or refurbish existing signage. Our motto is 'you name it, we can write on it!'

## Local specialists in commercial and business insurance

**BUSINESS** Insurance specialist Scott Hall created Hall Commercial after having identified the need for a local specialist in commercial and business insurance. He leaves private car, single-trip travel and pet insurance to others and concentrates his 15+ years of experience in doing what he knows best – helping business to buy the right insurance.

Scott has been asked to review insurance portfolios for many businesses in the area, from Tradesmen to Factories and Shops to Warehouses. Tailor-made policies come from a carefully selected panel of insurance providers, many of whom can only be accessed through insurance brokers. You won't find those insurance providers on any comparison web sites, because they know that arranging business insurance requires local knowledge, expertise and professional advice – the kind you get from Hall Commercial.

Scott can also help with home and property insurance, espe-

cially the larger or more "difficult" risks. Thatched, let, unoccupied, holiday homes, high value, just a few of the types of policy which may be arranged.

Claims, however large or small, can be a serious disruption to business and Scott takes charge of them personally. He will do all he can to expedite procedures and bring about a speedy and satisfactory conclusion. Scott has a totally hands-on approach to customer service.

In addition to his 15+ years experience in In-

surance negotiation, Scott is a qualified member of the Chartered Insurance Institute and a member of The British Insurance Brokers Association. He understands what it means to own and run a business and is therefore also a member of the Federation of Small Businesses.

The Hall Commercial web-site is a mine of information, and if you are starting a business or renewing your policies, Hall Commercial is the name to put in your diary, or you can ring Scott Hall direct on 01460 76810.

## Simple, automatic data backup system for your PCs

**JCH** DataCare is a new business started by Christopher and Jo Hall, serving the South West and Wirral providing a simple, automatic data backup system for all your home and small business PCs.

We decided to create the business after realising that; whilst a large percentage of people now have a computer, we don't think about all the precious information kept on them and what we would do if we lost all or some of that information; whether through a hardware or software failure or through theft or loss. It's not just the data files and pictures etc., but all the software and the gadgets we download but never have a hard copy of, that if we lost we would have to spend hours and hours trawling through the internet and downloading again (that's if we can find them!) to get back to where we were before the problem. Not to mention all the e-mails, internet favourites, and all those passwords and user names your computer remembers for you.

Whilst researching

the market, we also discovered that; although there is a really simple and cheap system to protect all your computers; nobody was promoting it! Microsoft have produced a piece of software called Windows HomeServer 2011 which takes a complete image of your computer, and when incorporated into our JCH systems, will quietly sit in a corner of your home or small business and look after up to TEN computers linked to it. It will also give you extra storage that all ten PCs can access if they are short on space; these shares can also be accessed from anywhere in the world via the internet! It gives you the services of Cloud storage but you know that

you have complete control over the information as it's YOUR CLOUD in YOUR home or business!

There are other companies supplying units with WHS 2011 installed but most only offer a single hard drive as standard. This means they are not using the software to its best potential as WHS 2011 gives the added security of mirrored or RAID drives when using two or more drives which are a standard with JCH DataCare's range. So, if you want the peace of mind in knowing that; no matter what happens to your computer; you can get it all back, just the way it was, in a matter of hours; you need a JCH DataCare HomeServer.

## Stokes Partnership

### Growth despite recession

**BRENDAN** Pang, Partner and Head of Commercial Services at Stokes Partners LLP says that the answer lies in sustained investment in technology and key personnel.

From the very outset, the firm has invested unstintingly in the latest technology whether it is a phone system or dual screens at each workstation. After staff wages, I.T. represents one of the firm's largest areas of spend. It is now looking with its consultants at cloud technology as part of its disaster recovery plan.

Cutting edge technology and applications to meet client's bespoke requirements has allowed the firm to work with large national organisations such as the Coventry Building Society.

To meet the challenges facing the legal profession in particular, the firm has recently restructured into two separate brands, Fasttrac Solicitors Limited and the core legal business as Stokes Partners LLP.

As a Limited Liability Partnership, the firm is able to recruit talented and ambitious young lawyers from city and regional firms.

It recently succeeded in recruiting Helen Williams, an Associate from a large Exeter practice. Helen specialises in property litigation and joins the Commercial Services team.

The Commercial Services team provides a seamless service to business clients from employment contracts, business disputes to sale and acquisition of businesses.

The firm has a particularly strong reputation for property related dispute resolution, acting for numerous regional and national clients. It frequently deals with heavyweight litigation, punching above its weight against lawyers from the large City firms.

The firm is recommended in The Legal 500 for the South West in the areas of Commercial Property (Robert Wright), Family (David Stokes) and Dispute Resolution/Commercial Services (Brendan Pang).

## Glenn Tilbrook comes to Bridport next week

GLENN Tilbrook's solo acoustic show includes all the hits from his beloved band Squeeze, including 'Up The Junction', 'Take Me I'm Yours', 'Pulling Mussels From The Shell', 'Tempted' plus many more.

His work has been cited as a massive influence by the likes of Mark Ronson, The Feeling, Kasabian, Razorlight and Lily Allen and has earned both Glenn and his Squeeze co-writing partner Chris Difford the prestigious Ivor Novello "Outstanding Contribution to British Music" and the Nordoff-Robbins "Icon" Awards.

Known for his preference to blur the lines between spectator and performer, the audience can expect to be involved in literally anything – even following Glenn as he beckons his crowd to leave the venue with him and set up an impromptu gig wherever the mood takes him.

After 30 years and having been to some of the highest points on Earth, Glenn Tilbrook still thrives on the buzz he gets from playing live like it was his very first time.

Glenn Tilbrook plays at Bridport's Electric Palace on Monday, November 7th from 7.30pm.

Tickets cost £16.50 in advance and are available from Bridport TIC - telephone 01308 424901, or online at [www.electricpalace.org.uk](http://www.electricpalace.org.uk)

## LYME REGIS - GUIDE £525,000

THIS detached chalet bungalow was probably built in the 1950's with rendered cavity walls beneath a tiled roof with more recent additions. Whilst the property has been well cared for and offers modern amenities a purchaser may wish to update parts.

The property occupies one of the most attractive sites in Lyme Regis well away from busy main roads yet only a few minutes walk away from the town centre shops and seafront. The views are a most impressive feature taking in the sea and West Dorset coastline.

Pine Walk is a private close of only some ten individual detached properties and at the far end about 250 metres away is access to National Trust

land and the famous coastal footpath between Lyme and Seaton.

A brief summary of this property: super views of the sea and west dorset coastline, close to town centre, seafront and coastal path, away from busy roads, sitting room, dining room, kitchen, utility and w.c., master bedroom and ensuite (ground floor), 2 first floor bedrooms and bathroom, mature gardens, garage and ample parking, gas central heating, upvc double glazed windows.

Viewing is strictly by appointment with the vendor's agents, Martin Diplock Estate Agents & Valuers, 36 Broad Street, Lyme Regis on (01297) 445500.

# Another premises for Landrover 4 U!

**LANDROVER4U LTD** have been operating their independent 4x4 service and sales business in Honiton from the Heathpark Industrial Estate for over ten years. Directors Kevin Jones & Nick Austin have been considering expanding the

business for a while now and when the opportunity arose to take over a main-road site they grabbed it. Despite the difficult economic environment Kevin & Nick are confident the higher profile site will bring in more business and with the large num-

ber of 4x4s in the area and the very high labour rates charged by franchised dealers they feel that there is a place for their offering. Expanding the business means more staff and three new jobs have been created by the move. The new, much larger,

premises at Shute Garage on the A35 between Kilminster and Wilmington are easy to find and from here Landrover4U will be providing MOTs, general servicing and repairs for all vehicles but specialising in Land Rovers and 4x4s. Landrover4U

are also franchised dealers for the Polaris range of ATVs which they sell and service. There will be a large selection of Land Rovers and other 4x4s for sale and the garage will be open seven days a week. The move is underway and the new

premises will be fully operational by the latter part of November 2011.

To book your vehicle in or enquire about a vehicle for sale call 01404 831907.

## It's time to see through independent garages.

When it comes to servicing and repairing your Mercedes-Benz at an independent garage, can you be sure you're not paying more than you need to?

At Mercedes-Benz of Dorchester's Official Workshop, we'll tell you the price of any work that's needed and how long it'll take before we begin, so you'll know exactly where you stand.

Furthermore, all our Genuine Parts come with a comprehensive two-year guarantee and include the labour cost of fitting them, meaning that when you drive away, you'll feel reassured that if something goes wrong, we'll be on hand to help. That's why it pays to see the experts.

And at the moment, this is especially true. If you present the voucher below when bringing your car in to us, we'll give you £50 off the labour cost for any servicing or repair work we carry out.

To find out more, contact us today on 01305 264 494.

## DIVISION ONE CUP QF

## LYME REGIS RES 6 NORTON ATHLETIC 0

LYME REGIS Reserves put an indifferent run behind them when they thrashed Norton Athletic 6-0 at the Davey Fort.

The Seaside's were almost ahead in the third minute but Sam Bevis' angle shot was hooked of the line. A minute later Kieron White went close to putting through his own net when his challenge on Jamie Burt saw the ball clip his own post with 'keeper Will Meech beaten.

Burt also went close on the half-hour when his curling shot bounced down off the underside of the crossbar. But from here it was all Lyme.

Centre forward Ben Strong opened the scoring in the 31st minute when he unerringly volleyed home Bevis' incisive cross.

The lead was doubled soon after when another Bevis cross found it's way to the far post where Jack Durrant gleefully smashed the ball past the Norts' stand-in gloveman Alex Banks.

The Seaside's passage through to the semi's was guaranteed two minutes before the break when striker Ryan Fifer coolly side footed home from all of 25 yards.

The second-half was a mere formality with the visitors offering precious little and Lyme purring into their best form of the season so far.

Fifer showed excellent composure when lobbing over Banks for number four soon after the restart.

White bagged the fifth with his first senior goal in Seaside's colours and Durrant scuffed in the sixth to round things off.

◆ Lyme Reserves have been drawn away to either Dorset League Division Three high-fliers Piddlehinton United or Clifton Sports, currently 10th in the Yeovil & District League Division One, in the quarter-Finals of the Dorset Junior Cup.

## MILLWEY RISE 1 SHEPTON BEAUCHAMP 0

A SAM Dibbling goal in the 20th minute was enough to earn Millwey Rise a place in the last four after they squeezed past Shepton Beauchamp at

Harry's Field.

## NETHERBURY 1 FORTON RANGERS 2

NETHERBURY learnt what a cruel game football can be when a late Forton Rangers goal knocked them out of the cup.

After losing in the league 6-2 to Forton, the Ambers were determined to put in a better showing and had the majority of the play in the first-half.

They deservedly took the lead on 19 minutes when Nathan Pattern's cross found Ben Brook, who continued his good form with a composed touch and neat finish for his eight goal of the season. Netherbury's pressure warranted a second goal, however thanks to some good goal keeping this didn't come.

With Netherbury looking like they where still in the dressing room after the interval, Forton equalised through Ian Parsons within a minute of the restart which left the game in the balance.

With extra-time looking a dead cert, youngster Tom Melhuish capitalised on an error at the back from the normally solid Dan Rawlings, to run through on goal and score in the 87th minute. Manager Andy Loudon said: "I feel sorry for my players, as we did not deserve to lose like that today. We've had a lot changes at the club recently, but things are now beginning to stabilise. "I'm sure when the dust settles after this defeat, we will be stronger".

◆ SEMI-FINALS: Forton Rangers v Barrington, Millwey Rise v Lyme Regis Res.

## REG EGLON CUP R1

## LYME BANTAMS 2 COMBE B 0

LYME Regis Bantams' quest to win the Reg Egdon cup for the first time in the club's history began in impressive style with a 2-0 win over in-form Combe B who came into the game on the back of resounding 5-0 and 7-0 victories.

After a goal less first-half it was, predictably, top-scorer Pete Peacock who broke the deadlock with a tap-in from close range on the hour after Ryan Sartin's long-range effort had rebounded back off an upright.

Peacock made the game safe 15 minutes from time when he latched onto a long clearance from 'keeper Jedd Whittington before finding the net from the edge of the area.

Lyme manager Chris Simpson gave his Man-of-the-Match award to right back Danny Parr who was making his first start for the club.

## UPLYME RESERVES 1 BARRINGTON RES 3

Having been hammered 11-1 by the same opponents back in September Uplyme Reserves could have been excused if they went into Saturday's cup clash with Barrington Reserves with some trepidation.

But as it was the Swallows second-string, who gave another debut to the returning Gus Cleal between the sticks, put in a fine shift to continue their upturn in form and spirit.

The visitors edged into a 2-0 lead before Chris Matthews reduced the arrears with his first goal for the club.

A third Barrington goal right on the final whistle did little justice to the scoreline for the hosts who were well served by Steve Prendeville at right back and left-winger George Heath.

◆ QUARTER-FINAL DRAW: Chard Rangers Res v Farway United Res, Hawkchurch Res v Crewkerne Rangers Res, Barrington Res v Chard United Res, Ilminster A v Lyme Regis Bantams.

## PREMIER

## BEAMINSTER 2 COMBE RES 0

GOALS from full-backs James Ridd and Dean Hyet maintained Beaminster's unbeaten start to the season.

The Rainbows struggled to break down the battling resistance of the struggling Saints in the first-half.

They did have the ball in the net only for referee Mike Benjafield to rule the 'goal' out for offside - a decision he later admitted he got wrong.

The deadlock was finally broken by a superb free-kick into the top-corner by Hyett.

The points were secured when Ridd exchanged passes with Liam Annetts and fired home.

Beaminster manager Sean Annetts

was pleased with his team's overall performance and to see 'keeper Adam Herring more or less a spectator.

## SOUTH PETHERTON 2 LYME REGIS 5

IT'S a little soon to be writing an obituary for South Petherton's chances of retaining their Premier Division title but Saturday's 5-2 home defeat at the hands of rivals' Lyme Regis leaves them with a mountain to climb.

The Seaside's flew out the blocks and were 2-0 before Pethy knew what had hit them.

Both goals came from veteran striker Jason Hawker who is developing something of a habit of popping up vital goals in big games such as this.

As it was the hosts showed all their fighting spirit and thanks to strikes from Rich Hebditch and Paul Holt were back level - all this with only nine minutes on the clock!

That's how things stayed up to the break. Lyme were however forced into a reshuffle for the second-half when pick-of-the-league goalkeeper Ashley Caddy, returning to the side after a three week holiday in Thailand, was forced off to hospital with a jaw injury after going down bravely to snuff out a Pethy attack.

Aaron Cleal donned the gloves but the second-half action was mainly based at the other end.

Julien Simier, restored to the starting lineup for the first time after an injury lay-off, pounced on some indifferent defending to score twice and put Lyme firmly in the driving seat.

Substitute Will Mowbray netted number five with his first goal in an amber shirt as the Seaside's ended a run of six winless games against Petherton who themselves suffered their biggest defeat in six seasons.

## W &amp; M CHINNOCK 1 WINSHAM UNITED 5

GOALS from Tom Symes (2), Tom Stead, Henry Broom and Sam Symes earned Winsham a comfortable win at West & Middle Chinnock. Luke Williams scored for the hosts.

## DIVISION TWO

## CHARMOUTH 3 THORNCOMBE 3

CHARMOUTH pulled off one of the shocks of the day when they held promotion-chasing Thorncombe to a 3-3 draw at Barrs Lane. The Thorns took an early lead when John Mason beat the Robins' offside trap in the third minute. The visitors were then guilty of squandering a host of good chances and were made to pay when Tim Rogers leveled before the interval.

The visitors restored their lead two minutes after the restart when Mason clipped home a fine 25-yard free-kick.

Charmouth weren't finished though. A double strike from Scott Meyers saw them get their noses in front for the first time midway through the half.

But Thorncombe grabbed an 11th hour equaliser when, inevitably, Stuart Packer tapped in his ninth goal in just four games.

Charmouth Joint manager Gerry Bearpark was impressed with the spirit throughout the team but selected Rogers as his MoM.

## CREWKERNE RES 2 UPLYME 2

"WE would definitely have taken a point before kick-off but in the end were disappointed not to have taken all three" was Uplyme manager Rob Coombe's assessment as his side ended Crewkerne Town Reserves' 100 percent league record.

Adrian Strawbridge put the Swallows ahead two minutes before the break and had Gavin Fowler taken a one-on-one opportunity a superb away win could have been on the cards.

But the hosts leveled and then took the

lead when the Uplyme defence was breached by what Coombe described as "a very soft goal - typical of us this season".

As it was Strawbridge struck again and the valuable point was pocketed by the East Devon side.

Stuart King was Coombe's choice as Man-of-the-Match although 16-year-old Brett James also impressed on debut on the left flank.

## HINTON 1 PYMORE 7

PYMORE hit a magnificent seven as Hinton's goals against tally rose to 35 in just six games.

James Pitcher led the goal parade with a hat-trick and their were singles from Chris Good, Lee Dowle, Darren Poole and Cameron Murless who also missed a penalty.

## DIVISION THREE

## HAWKCHURCH 1 WAYTOWN HOUNDS 3

A swirly wind at Hawkchurch made things difficult for both sides. Hounds' 'keeper Bill Fleet made a great early on and Hawkchurch kept up the pressure to take the lead after just five minutes through Jon Legg.

It took the Hounds a while to get to grips with the pitch and wind, but after 30 minutes Matt Read fed the ball to Tom Menaldino whoneately levelled. Read then brought the ball down inside his own half and played a through ball that cut the Hawks back four open and Edd Stephenson fired home a right foot shot.

The Hounds were up the slope in the second half. Hawkchurch continually pushed forward and Man-of-the-Match Fleet had to be at his best in very awkward conditions. Steve White and Paul Watkins worked hard in the centre of midfield to keep feeding the front two of Read and Menaldino.

Top-scorer Menaldino was brought down in the area and unselfishly gave the ball to Read (club penalty taker), who kept his cool to put the Hounds in control.

# Not the best week! Bolt to follow in Dan's footsteps

BY local trainer Bob Buckler's record this season, this last week has not been his best writes Stuart Broom.

**Mister Matt** found the ground too soft for him at Chepstow in the digibet.com Handicap Chase over two miles following heavy rain on the day including the race, and as a result after travelling well early on found the ground too much and he finished at the back of the field.

"It was a disappointing finish to a long season that has seen him win a couple of races and been placed another seven times.

"He needs firm ground and the heavy rain on the day made the ground much too soft for him," said Buckler, who confirmed the horse will now take his winter's break.

**Ballygulleen** has been retired from racing following the Sussex Equine Dentistry Handicap Chase over 3¼ miles at Fontwell when he refused at the second last when in second place.

Buckler explained: "He is a real monkey, and I felt sorry for jockey Andrew Glassonbury as soon as the winner Wherrimon pulled away from them, leaving them to race on their own, as I knew he would refuse to continue on his own.

"There is nothing you can do about it unfortunately. He has ability, having won a couple of races in his career, but he has this problem of racing on his own.

"He obviously is not in love with racing and will be leaving the yard to go hunting or point-to-point."

Buckler was initially very disappointed with his other runner **Quix** in the Cushman & Wakefield Novices' Hurdle over two miles at Ascot on Saturday. He jumped badly from the outset and was finally tailed off to finish fifth.

"I know he can be a quirky character, but I couldn't understand at the time why he had jumped so badly and didn't appear to try.

"It was only the next morning when he could hardly move, and it appears that maybe he has torn some muscles high up in his back which was why he ran as he did. Although he has improved slightly he is obviously very sore, and the physio will be looking at him to check him out."

**Champagne Rosie** was due her first run of the season at Exeter on Tuesday in a highly competitive race whilst Saint Peray was due to go on the same card. **Small Fly** is expected to run at Chepstow on Wednesday, and providing he is not balloted out, **Baron Sutton** will make his racing debut at Wincanton on Saturday.

Stable jockey Nathan Sweeney rode out for the first time on Monday after breaking his leg in a fall aboard Ethiopia in July, and hopes that an x-ray in two weeks time will see him back in the saddle in the not too distant future.

## Successful summer for Powerstock young cricketers

POWERSTOCK Junior Cricket Club held its end of season presentation evening last week and was pleased to welcome Phil Drake, Chairman of Dorset Cricket Association as a special guest. Chairman of the Club, Steve Hibbs, outlined the summer's achievements, which included being able to field three youth teams:-

The under 9s played friendly games, beating Martinstown but losing to Dorchester.

The Under 11s had a good season, coming runners up in the Archie Masters Cup to Dorchester.

The Under 13s also had a good season, being runners up in both the West Dorset League and the Dave Cheffey cup, just losing to Dorchester on both occasions.

The Club was also pleased to have seven members who played for the West Dorset district team this year.

The following club members were presented with individual awards for their performances in 2011:

U11s; Best batsman - Thomas Hughes, Best

bowler - Will Brookes, Player's player - Thasien Chant, Most improved - Jack Parkman, Coaches player of the year - George Wyrill.

U13s; Best batsman - Ryan White, Best bowler - Rory Gillis, Player's player - Fergus Hathorn, Most improved - Alex Dovey, Coaches player of the year - Fergus Hathorn.

Eva Bowring got a special mention for being the only girl who had represented both the U11 and U13 teams and had shown outstanding skills as a wicket keeper for the U11s.

The parents and children thanked all the hard working committee members, coaches and parent volunteers for their help over the year and also the Weir Committee for the use of the Nettlecombe field.

Next summer, the club will be fielding four teams, U9s (friendly games), U11s, U13s and U15s.

Winter training has already started and is held at the Sir John Colfox school sports hall. New players are always welcome and for further information, contact Steve Hibbs on 01308 485413.

A BRIDPORT man is set to leave Usain Bolt, the fastest man on earth still in his blocks when he competes in The National Lottery Olympic Park Run next year.

Daniel Broom has won the opportunity of a lifetime by being among the first to run in the Olympic Stadium, the centrepiece of the London 2012 Olympic and Paralympic Games, when he takes part in the race on March 31st.

Daniel has been selected as one of just 5,000 people to take part in the five mile run through the Olympic Park which will pass iconic world-class venues like the Velodrome and Aquatics Centre before culminating in the first public access to the Olympic Stadium.

Those participating on the day will be the first people to cross the Olympic finishing line in an official race.

Thirty-four-year-old Daniel learned last Friday that he was one of those successfully chosen by ballot from the thousands who entered the National Lottery on-line competition, and is looking forward to the experience which gives each runner the opportunity to be part of sporting history.

Each runner will also receive two spectator passes which will allow them entrance to the stadium to soak up the atmosphere and cheer him home as he crosses the finishing line.

There will also be a host of past and present Olympic and Paralympic stars present, both participating and offering support to the runners.

Daniel who ran the 10 mile Great South Run on Sunday said: "The confirmation came out of the blue, but it is

a fantastic opportunity to not only run through the Olympic Park and view the magnificent stadia, but to finish in the Olympic Stadium and cross the finishing line is really something you can only dream about."

The 2012 Olympic Games runs from July 27th until August 12th and the Paralympic Games between August 29th and September 9th.

■ OPPORTUNITY OF A LIFETIME: Daniel Broom, pictured running in last year's Great South Run, who will be one of the first to cross the Olympic finishing line.

## Tickets on sale for latest Bridport boxing tournament

TICKETS are now on sale for Bridport Boxing Club's next tournament to be held at the Freshwater Holiday Park on Saturday, November 19th where head coach Alan Slaney is anticipating 17 bouts including at least one ladies match.

This year's guest is Mike Tyson's No 1 sparring partner Joe Egan, to whom Tyson claims is 'the toughest white-man on the planet'. He will be presenting the trophies

and will address the audience prior to the first bout.

Tickets are going well for the event which starts at 7.30pm, but there are still some left which can be purchased from Timpson's in West Street or Bridport Sports Shop in East Street, Bridport priced £15.

Tickets will also be available on the door and food will be available through the evening.

## Sporting brains put to the test

IT'S THAT time of year once again when some of the most knowledgeable sports quiz experts in Dorset sit and ponder as they contest the prestigious Clinker Shield to be held at the Symene Sports Club on Sunday November 20th.

The event, now in its 28th year is one of the most coveted titles of it's kind, and is keenly sought after. Last year's champion's Beaminster Social Club will be defending the title once again, and having won it for the last three years, there will be plenty looking to flush them down the toilet and wipe the smiles off their faces.

However it will be a tough ask as Nigel Walters, Rodney Crabb and his son Sam

are an excellent combination.

Nick Skyrme is once again the question master for the third year running, and with the event starts promptly at 7.15pm, teams are asked to arrive in good time to ensure the smooth running of the event.

The following teams have been invited to this excellent night of fun: Bradpole Club, The Mystics, Chelsea Savages, Bridport Rugby Club, SamEd + 1, Jack Tars Trio, Snorklers, Chideock Vets, Bridport Football Club, Melplash Cricket, Wattig Winklers, Broom's Bald Eagles, BriPhilPinkey, Bridport Golf Club, Balsy's Bangers, Beaminster Social Club, Mac's Masterminds.

## Rivers too strong!

**BRIDPORT INDOOR BOWLS** - with Brian Baker

BRIDPORT Men's team returned to Wessex League action and took a pasting from the leading Five Rivers (Salisbury) side losing 113-49 overall.

Max Dare, Keith Brooks, Brian Morgan and Ken Enticott were in contention until the end but lost 19-22. Arthur Stone, Bernard Winton, Bob Taylor and Ivor Parker found themselves up against a crack rink of youngsters and took a 9-27 beating. At Salisbury Dave Roberts, Derek Harp, Brian Iversen and Bill Payne were having a living nightmare as they went 0-26 down after ten ends, but they never gave up. Indeed, over the last 11 ends were only out scored 9-11 to give a final 9-37 scoreline. Chris Thorne, Brian Walsh, Brian Conisbee and Brian Rumble went down 12-27.

Joan Griffiths, Beryl Stork, Mary Marsh and Janet Tattershall secured two points for the C team in the County League with a 25-16 win over Dolphin (C). Di Loving, Chris Minas, Ann Parkins and Mary Corfield lost 16-29, giving Dolphin the four extra points for an overall win.

# Encouraging signs from Bridport

RECENTLY realising that, on the final Saturday in October, I had yet to watch two of my "flock" in league action, and that Puddletown were playing away, I took the road to Crewkerne to take in their game against Taunton thirds whom they easily bested by 34-7.

## WIMBORNE 12 DORCHESTER 5

DORCHESTER had the stiff breeze at their backs in the first period but were unable to make it count during an error strewn half from both sides that lacked cohesion in the extreme.

It was Wimborne who opened the scoring when one of their wide runners hopefully chased a kick ahead and received the benefit of a kindly bounce that completely wrong footed the Dorchester defence.

The visitors replied in kind before the interval and their equalising unconverted try too owed something to dame fortune. The home set scrum had come under some pressure and it lost control of a heel close to its own line. The ball ran lose into the path of James Baker who touched it down unopposed.

Playing with the breeze after the break, Wimborne started positively and took the lead with a converted try. For a space they looked the more likely outfit as Dorchester struggled to cope with a couple of injury problems. They put those well and truly behind them however, buckled down and really the final quarter belonged to them as they laid siege to the Wimborne line.

The hosts defended stoutly however and would have heard the whistle for no side with very considerable relief.

Dorchester are going through a very frustrating spell at the moment. For whatever reason they are unable to take points during the periods of a game when they are in the ascendancy and therefore do tend to lose the close encounters, and have become "losing bonus point bankers". The fact that this is a phase that all sides go through at one time or another will be of scant comfort to them.

## WEYMOUTH 24 SWANAGE & WAREHAM 2nd 8

THE very stiff cross wind was marginally in the faces of the home side during the first period and it was the league leaders who had the better of the early exchanges in this top of the table clash.

They imposed early pressure and turned it into points by kicking a penalty goal after 10 minutes' play.

Weymouth finally settled however and went into the lead about the end of the first quarter when, having won a lineout close to the Swanage & Wareham line, made a clean catch in the middle and mauled their way over, with Max Vallance com-

ing up with the ball. Sheppard added the extras and, with the game being evenly contested, the scoreline stayed at 7-3 in home favour until the halfway stage.

Weymouth would have felt that they had shaded the first half but nothing was yet settled and they would have been a little concerned to see that the wind, that now was to be in their favour, was dropping away.

They did however, start the second-half in positive mode and extended their lead with a good try, scored by centre Joe Webber who cut a good line and got over from outside the twenty two.

This try remained unconverted but the home side scored another soon after to put daylight between the sides. Winger Will Quick scored this one. Having stepped his marker he showed good pace to round the cover and touch down. Sheppard's conversion kick was again accurate and the home side led 19-3 on the hour.

Their opponents were by no means done however and set up a series of attacks. The Weymouth defence copped, but conceded too many penalties, and eventually Mason was sent to the bin.

Swanage & Wareham narrowed the gap in his absence with an unconverted try but, on his return, the home side reasserted themselves. They went through the phases, protecting their possession and recycling well.

Swanage & Wareham tapped back and flanker Harry Charles was the first to react. He gathered and touched down what was the bonus point try which, although it remained unconverted, served to take Weymouth to the top of the division.

## WINCANTON 3 WEYMOUTH 2nd 53

THE Weymouth second side proved to be too strong for the side who were promoted with them at last season's end. scoring eight tries and conceding just a penalty goal in reply.

Highlight of the afternoon was the brace of tries touched down by hooker James Leach. He ran in the first from about halfway; and for the second he chipped the full-back and regathered the ball (Hookers were not allowed to do that sort of thing in my day).

He was not the only one to bag a brace. James Almond and Robert Smith also crossed the whitewash on two occasions and the try count was completed by Baudouin and Dean. Max Baudouin kicked five conversions and added a penalty goal to complete the scoring, to leave the home side facing what might just be a very long and hard season.

Not such good news for the Weymouth third side. It suffered a bit of a "sage and onion" job at home to visitors, Ellingham &

Ringwood thirds 43-12.

## BRIDPORT 23 SHERBORNE 2nd 18

THERE was a strong wind blowing from the sea and from one end to the other of the Brewery Field, and Bridport had it at their backs throughout the first period.

Although they enjoyed a territorial advantage for much of the first forty minutes, they made rather too many errors and the interval came with the game scoreless.

As sometimes happens, sides play better when facing the elements and this was one such case. The home side took the lead early in the second half via a Luke King penalty goal and, although Sherborne countered with a similar effort, the home back division had begun to string some meaningful threequarter moves together.

First it was Rob Leins who regained the lead for his side with an unconverted try, and when Dave Cutting ran in another soon after, Bridport were 10 points to the good with the scoreline standing at 13-3.

Issues were far from settled however. Sherborne then narrowed the gap with a penalty goal, and narrowed it still further when they touched down an unconverted try on the hour. It was necessary for the home side to respond and they did so when scrum-half George Sparkes broke and scored with 15 minutes left for play. His try remained unconverted and, with just 10 minutes remaining, Sherborne tied things up at 18-18 by scoring a converted effort.

It was all to play for now and, in the final five minutes, home centre Dave Smith had both the pace and the strength to break the visitors' defensive line and touch down. It was not a day for place kickers and the try remained unconverted but it was enough, and was the bonus point try at that. Bridport held on to record a most satisfying win.

I think that Bridport's rebuilding process is proceeding. Having watched both sides recently, and Bridport's game at Ivel, I felt that they would have to improve markedly if they were to come out on top in this one. They did so and can face the rest of the season with confidence.

It was a good day for the Bridport club all round, with their second side coming out on top in their local derby game at Dorchester seconds 23-13.

## WHEATSHEAF CABIN CREW 12 PUDDLETOWN 4

INITIAL exchanges gave little indication of what was to come in this Dorset & Wilts League Division Two encounter for, although Puddletown took an early lead when out-half Dovell nipped in for a try, converted by Yeatman, the home side re-

sponded immediately with a similar effort.

A rather turgid contest then ensued for much of the remainder of the half, although the visitors scored again when hooker Jeremy Michael-Beale got over. Yeatman's conversion kick was again accurate and Puddletown would have been just about satisfied with their 14-7 lead at the halfway stage.

Strong words were digested with the half-time oranges and Puddletown stretched away with a try by full back Udell within five minutes of the restart and, although Wheatsheaf did respond with a try out wide, it was to be their last effort.

Puddletown's attacks became more sustained as the second-half progressed. Udell got over twice more to complete his hat-trick.

Centre Yeatman got in on the act with a try in addition to kicking six conversions from seven attempts; and when in the final minutes, number eight Spicer made his way through some heavy traffic to complete the try count, Puddletown were out of sight.

## PREVIEW

THE leagues take a rest on Saturday next and the day is devoted to cups. Both PUDDLETOWN and DORCHESTER have no involvement and are without games, although the former will be looking for a friendly.

BRIDPORT take on LYTCHETT MINSTER at home who, although in the local cup's catchment area, play their rugby in division two of the Hampshire League, and are a side about whom I, for one, know very little. The considerable journey could well decide the winners of this one.

WEYMOUTH travel to WARMINSTER, opponents with whom they are well acquainted and, if they field a representative side, should come back from there with a win.

As to the second sides, both seconds and thirds of the Dorchester and Weymouth clubs are without fixtures, while Bridport seconds will, I suspect, find the going hard against a resurgent Crewkerne outfit. Importantly too, as it is now officially winter time, the games will start earlier, probably at 2.30pm, initially anyway, while cup games will likely start at 2.15pm.

# Rugby extras: Weymouth visit Weymouth!

## Weymouth visit Weymouth!

WHILST visiting New Zealand for the Rugby World Cup recently, members of Weymouth Rugby Football Club took the opportunity to visit their namesakes in Manukau City, Auckland prior to attending the final between New Zealand and France later that day.

Arthur Fisher, John Parker and ex Weymouth player and chairman Willie Wildash, now the current President of the RFU, and his wife Mary also met with Ben Parker who was part of the successful British Army team that won the first ever International Defence Rugby Competition (IDRC) held in Australia and New Zealand by defeating Australian Services 62-17 in the final the day before.

Ben is a member of WRFC and plays for the club when home on leave, and was part of the team that battled their way to the having defeated the Samoan Police, the French Combined Forces and the Tongan Defence Services on their way; some seriously tough matches.

The UK visitors wanted to meet old friends that they got to know when the antipodeans visited them during a tour of England in 1992.

They received a very warm welcome when

they were met by Weymouth Club President Joe Faliu who was accompanied by a number of club members including some members of the original 1992 touring party. They enjoyed some tremendous hospitality and were given a guided tour of the club's facilities. Club shirts were exchanged; both clubs wear light and dark blue shirts.

Weymouth NZ, formed in 1970 are planning to visit England and their British namesakes again in 2015 when the RWC and the IRDC will be held.

## NORTH DORSET U14 12 WEYMOUTH 15

WEYMOUTH got away to best of possible starts with a kick and chase try by Jonathan Young.

North Dorset fought straight back and were camped out on Weymouth's five metre line for a number of scrums before Greg Harris forced over for a try that was converted to give the home team a lead of 7-5.

The game became scrappy with handling mistakes from both sides and a struggling Weymouth scrum penalised by a second try for the hosts following a fine run from Hector Neale

giving the home team a lead of 12-5 at the break.

Weymouth reorganised at half-time and started to get the ball to their backs resulting in a try from Calen Ryan taking the ball from his own 22 outpacing the opposition to bring the score back to a nail biting 12-10.

Good pressure from a revitalised Weymouth pack driven by Nat Baynham-Jones gave them territorial advantage. The match was decided when Toby de Kretser caught a mis-directed kick and ran it back in for the winning try.

## UNDER 9s

TWO matches against the Swans saw great victories for Weymouth.

The first game showed the teams attacking flair with a 9-2 win. Four of the tries were scored by Toby, with some amazing runs. It also saw Jules Hicks score his first try for the club since joining only a month ago.

The second match saw their defensive skills, where Weymouth were under pressure for long periods but still won 2-0. Man-of-the-Match was Hicks.

## WEYMOUTH & PORTLAND CUB SCOUTS TAG RUGBY TOURNAMENT

WHILST Wales were struggling against France in the semi final of the Rugby World Cup, Weymouth and Portland Cub Scouts were having their own Tag Rugby Tournament at the invitation of Weymouth Rugby Football Club.

Six Cub packs took part represent-

Enthusiasm and skill from all the teams was in abundance thanks to the coaching staff at WRFC with Chesil

With the expertise and guidance from the coaching staff at WRFC the games progressed with enthusiasm and skill from all the teams taking part.

The winners were Chesil Dynamites who won all four games, with South Jolly Jail the runners-up with three wins. Barbarians, Bulldogs and East Shadow all won one game.

The trophy and certificates were presented by the President of the Rugby Club, Des Quick.

Assistant District Commissioner Cub Section, Maureen Adams would like to convey the

## FOOTBALL ROUND-UP

with Stuart Broom

# Magpies bring Angels down to earth

## Magpies throw away two goal lead

**HAVANT & WATERLOOVILLE 4 DORCHESTER TOWN 2 - ATT: 539**  
IT LOOKED like Dorchester Town had put their poor display in the defeat at home to Boreham Wood to bed as they raced into a two goal lead in the first 15 minutes at Westleigh Park on Tuesday.

However the Hawks hit back after the interval to score four times to send Dorchester to their seventh defeat in the last eight matches which led to manager Ashley Vickers being sacked two days later.

Despite receiving chairman Shaun Hearn's vote of confidence three weeks earlier, the results suggested that Vickers needed to reverse the losing spiral quickly, and it appeared that his side had finally found the winning formula as Gary Bowles and Ben Dickenson gave them a great start.

Ryan Moss went close from Nick Crittenden's cross with a header that flew past the far post, before Bowles struck on eight minutes; Crittenden's corner was headed on and Bowles applied the finishing touch at the far post.

Steven Ramsay forced Alan Walker-Harris into pushing his 20-yard shot around the post, before Dickenson doubled the Magpies advantage when he turned and drove a low shot just inside the near post after cutting in from the right and running along the top of the penalty area.

Little was seen of the Hawks attack in the first-half, and Crittenden almost added a third on halftime but his volley from Dickenson's cross flew wide of the goal.

The hosts changed things around at the break and came out of the blocks quickly and pulled a goal back within four minutes of the restart. Walker-Harris failed to hold Perry Ryan's header which he could only push onto the post, and Ollie Palmer was on hand to thump home the rebound. Just before the hour he levelled the score with a downward header from another Sammy Igoe cross.

This had Dorchester reeling and on 65 minutes the Hawks took the lead when Igoe was on hand to net after Walker-Harris had palmed Scott Jones' angled shot into his path.

Havant continued to lay siege on the visitor's goal and they made the game safe seven minutes from full-time when Ryan Woodford swept home Igoe's pass from the edge of the box.

## DORCHESTER TOWN 3 TONBRIDGE ANGELS 1 - ATT: 417

DORCHESTER Town players put the stress of the previous few days behind them and got back to winning ways under the direction of caretaker manager Phil Simkin.

With Ashley Vickers having been relieved of his duties less than 48 hours earlier, Simkin and captain Mark Jermyn had been tasked with leading the Magpies into Saturday's home match with Tonbridge Angels.

In fact Jermyn who had been sidelined for eight weeks with a nasty cruciate knee injury, passed a late fitness test to take his place on the field alongside Nathan Walker in the centre of defence, whilst he was replaced in the dugout by former Terra Gary Borthwick.

The game started at a high tempo with the Angels, with a record for scoring and conceding goals, taking the initiative with Wayne McLaggon testing Magpies keeper Alan Walker-Harris early on with a 20-yard shot which he parried.

However it was Ben Dickenson playing through the middle with Ryan Moss who put the home side ahead after eight minutes with a stupendous goal. Picking the ball up on the halfway line, he moved forward before crashing a terrific 35-yard shot past Angel's keeper Lee Worgan who was almost rooted to the spot.

Four minutes later he was involved in Dorchester's second goal, his corner kick being headed home by Moss from close range.

Tonbridge however were not prepared to lie down, and they twice struck the outside of the woodwork as they went looking to reduce the deficit; McLaggon and Frannie Collin the two unlucky players.

However McLaggon was rewarded for his efforts on 26 minutes when he blasted his shot beyond the advancing Walker-Harris after he had been put in on goal by Collin.

Walker-Harris who was later named Man-of-the-Match then produced two excellent saves both from Collin to allow the Magpies to go in at the interval in the lead.

Despite having to survive a barrage of long throws from one of the Angels players, Dorchester kept their opponents at bay as they pressed for an equaliser, although they had a lucky let off on 76 minutes when Lee Browning somehow struck the post from close in when it looked easier to score, and seven minutes later when he did get it right, Walker-Harris made a superb save from him.

Moss made it a rewarding start for Simkin a minute from time when he smashed home the rebound after Dickenson's shot had come back off the crossbar.

## Reed strike keeps Terras run going

**WEYMOUTH 1 OXFORD CITY 0 - ATT: 622**

WEYMOUTH continued their recent good form with a battling win over fourth placed Oxford City on Tuesday with a 10th minute goal from Stephen Reed.

The Terras midfielder secured all three Evo-Stick Southern Premier Division points with a 25-yard free-kick that took a deflection off the wall to beat City's keeper Jason Mooney.

Weymouth had the better of the opening exchanges and Sam Poole had two chances after Reed's strike but first shot straight at Mooney before firing over from Reed's corner just after.

City looked anything but title contenders and the nearest they came was in first half added time when Nick Jordan playing his first game for the Terras since returning on loan from Dorchester Town due to Tom Manley's unavailability, raced off his line to prevent Steve Basham getting a shot in.

However they had a great chance within a minute of the restart, but once again Jordan thwarted them. This time he smothered the ball at Felipe Barcelos' feet after outwitting him when Ben Gerrig failed to cut out a long punt forward.

Warren Byerley might have sealed the match for the home side but Mooney pushed his shot away after the striker had been set up by sub Jamie Beasley.

In an unusual substitution City withdrew Jamie Heapy for sub keeper Mark Scott, and pushed Mooney into the striker role, but it made no difference as Weymouth held out for the points without too much trouble.

## Wells complete double with second half brace

**BRIDPORT 2 WELLS CITY 4 - ATT: 87**

WELLS City completed the double over Bridport when they scored twice in the second half for victory after the Bees had equalised twice in the first-half.

Although beaten 6-2 in Somerset early on in the season, manager Trevor Senior felt the score did not reflect the game, and was looking to put that right at St Mary's Field.

Bridport opened brightly and Sam Charles hit the post inside two minutes before Tom Richardson saw his header saved, but Wells went ahead with their first attack through Jamie Howson.

Bridport hit back to equalise through Richardson who glanced home Dan Wise's cross, and then laid siege to the visitor's goal forcing six corners in quick succession, but it was Wells that went back in front five minutes before the break with only their second chance of the game.

Joe Charles' miscued a clearing header and only succeeded in playing the ball back into the middle of the goal where Jake Brown scored from 12 yards.

Once again Bridport responded and when Jamie Morgan found Matt Condliffe on the opposite flank with a great ball, the wingback in turn supplied the perfect cross for Sam Charles to score with a downward header.

Wells keeper Owen Dunn denied both Chris Senior and

Condliffe from the rebound with good saves early in the second half before the visitors went ahead again with Brown's second.

They secured the point's midway through the half when Tom Manning was set free after a Bridport attack broke down, and although Darren Lock hit the crossbar late on, Wells completed the double.

Senior said afterwards: "I thought the first-half was as well as we have played all season and we knocked it around well, but once again we have conceded two to go in at 2-2. Both goals were unfortunate; the first was a good goal but from their first attack, and the second Joe Charles didn't clear it as well as he might have done and their guy finished it off, but we scored two to level it up at the break.

"Then having gone 3-2 behind in the second half we were a bit naive, and when Sam Charles lost the ball when it was played up to him we were already in support of him and had gone beyond. As a result there was big hole in the middle and they ran through to score.

"We could learn a lesson from Wells, because when they get their noses in front, and I have played then four times, they are difficult to break down. They get their two banks of four or nine men behind the ball

"We deserved to win the game, but the goals we conceded were avoidable, but we learned from Tuesday to keep our shape better and that stood us in good stead.

Senior has been linked with the vacant manager's job at Dorchester Town following Ashley Vickers sacking last week.

The former Reading striker started his career at the Magpies, and is a favourite with many to become at least part of the management team at The Avenue, but Senior will not be drawn of the subject.

"I've been here before, and every time the jobs available my names been mentioned, but I don't wish to comment at the moment."

## Bees show character to take the points

**BRIDPORT 3 BRISLINGTON 2 - ATT: 114**

BRIDPORT recovered from a two goal deficit to win all three points with a Sam Charles goal, his second of the game, just two minutes from normal time.

The result will be a huge fillip for both manager Trevor Senior and his players who despite some good performances have found the in the Toolstation Western League Premier Division errors are punished, and you must take your chances.

Once again the Bees conceded two goals which could have been avoided, but on this occasion they were able to take three points which puts daylight between them and the bottom two.

Brislington took the lead on seven minutes when the unmarked Jason Hughes had time to pick his spot to head the visitors into the lead from a corner. They doubled their advantage on 25 minutes when Filkins inexplicably let a Mike Rimmer shot slip through his hands and over the line.

Bridport however soon hit back to reduce the deficit following a good four man move that saw Dan Wise put Jamie Morgan in just inside the right hand corner of the penalty box. His low angled drive beat keeper Chris Humphries allowing Sam Charles to slide in and nudge it home.

This gave the Bees confidence and Tom Richardson was unlucky with a superb effort. Receiving the ball on the left corner of the penalty area he turned inside and bent his shot round a defender and Humphries but the ball just went wide of the far post. Then Shane Evans was denied by an excellent acrobatic save from Humphries who tipped his thumping 12-yard header from Wise's corner over the angle of the goal frame.

Bridport had the lion's share of play in the second half and equalised just after the hour when they were awarded a penalty for a handling infringement following an Evans shot and Wise confidently sent the keeper the wrong way from the spot.

Bridport were indebted to Filkins for keeping them level with two excellent saves before sub Michael Hailu almost scored on his debut with four minutes remaining.

Darren Watts who had replaced Morgan on the hour hit a thunderous drive from 30-yards that smacked against the crossbar before bouncing down and hitting Humphries on the back. The ball rolled across the face of the goal where Hailu sidefooted the ball towards goal only for a defender to produce a superb sliding clearance to put the ball for a corner.

However Bridport got the winner they deserved for their endeavour just two minutes from time when a long ball from Joe Charles put his brother Sam in behind the Briz defence and he deftly lobbed the advancing Humphries to score in the corner.

## Bridport U12 3 Weymouth 3

BRIDPORT showed why they remain unbeaten this season by recovering from a 1-3 deficit to force a draw with Weymouth.

Despite having the better of the play and taking the lead

through Freddy Valinski, the home team found themselves 1-2 down at the interval.

An own goal increased the visitors lead, but instead of folding, Bridport hit back with a series of attacks resulting in two outstanding goals from Callan Laydon to draw level. Bridport felt they were denied a penalty when the tricky Valinski was bundled over and with Sam Handyside also a threat, Weymouth were glad to return home with a point.

## Bees looking for the final ball

**PARLEY 2 BRIDPORT RESERVES 1**

ONCE again Bridport Reserves came away with nothing in a game they deserved something.

Joint manager Steve Crabb said: "So often this season we have just failed to turn our superiority into wins, which is disappointing. Defensively we are very solid and don't concede too many, whilst our strikers work very hard without success.

"I think our problem stems from our decision making, and choosing the wrong option in the final third, and that is something we need to address because we are playing some good football without getting results."

He added: "I feel sorry for Jamie Fry because he has been on the losing side three times in a row now and hasn't made a mistake.

"Our defenders Paul Fellows, Ashley Clarke and Adam Sturdy were very solid and worked hard, and restricted Parley to their two chances, both of which they took very well, and one other shot which Jamie dealt with well.

"We had 60 per cent of the possession on Saturday yet lost. We've set our sights high this season after a good one last year, but perhaps we should accept sometimes that a draw is a good result."

Parley took the lead when Michael Laronde headed home from a good cross midway through the first half, although Tristan Gale was unlucky with a 30-yard shot at goal with the keeper out of position that was kicked off the line.

Adam Steele restored parity though on the hour, before Gale was unlucky with a shot that brought a great save from the Parley gloveman.

The hosts won the game however with a fabulous goal from Tobias Holmes that would grace almost any ground. Collecting the ball on the halfway line, he backheeled it and took the return before playing a couple of one-two's as he skipped through the Bees defence to fire past Fry.

Crabb said: "It was a great goal, but really only their second chance on goal which is disappointing. I'm convinced our luck will change soon however because we are playing good football."

■ BRIDPORT Third's produced the result of the day by beating 11 Signal Regiment FC 3-2.

The soldiers from Blandford Army Camp had won all their six Dorset League Division Two matches this season, but a brace from Jack Scovell and one from Chris Symes destroyed that record.

## Senior: Lads showed fantastic character

BRIDPORT manager Trevor Senior was full of praise for his team after his side had conceded two poor goals in the first 25 minutes against Brislington on Saturday, but then battles back to take all three points with a winning goal just two minutes from time.

"To come back from 2-0 down and then grab a late winner showed fantastic character, but we gave away two soft goals."

The Bees have shown in nearly every game this season that they can compete in the Toolstation Western League Premier Division after promotion last season, but are learning the hard way that you need to take your chances when they come, and not to give away goals, and this has been reflected in some of the results so far.

"The first was a free header from a

**By Stuart Broom**

corner, and you can't afford to do that, and the second was an uncharacteristic error by Sam Filkins who unfortunately let a shot go through his hands.

"The errors Sam has made since he's been with us you can count on one hand so it was unfortunate and he apologised to the team at halftime. However he certainly redeemed himself and showed great character in the second half with two great saves, one particularly top drawer."

"We got a goal back however, which was good as it gave us a bit of a lifeline really and got us going again, because at 2-0 you could see the belief was draining a bit. You were thinking how did we get here? But Sam Charles' goal picked us up."

"Their manager Geoff Meacham who I know very well was full of praise for our victory. He said afterwards: "We got what we deserved - nothing. We couldn't believe we were two goals up."

Senior was critical of his side's naivety in relation to the last goal in their 4-2 midweek defeat against Wells City, but felt that they had heeded the lesson.

"We are a bit naive at times but we kept our shape today even when we were behind or indeed level, and didn't go all gung-ho but were disciplined and that's what we have to keep doing."

"It was much needed points and gives us a little breathing space and a chance to look up the table a bit, but we have three very difficult away matches coming up as well as the Dorset Senior Cup match with Sherborne Town on Tuesday."

Although Senior praised the whole team for their performance, in addition to Filkins he picked out Russell Legg who was awarded the man of the match award for special mention.

"It was also great to give Michael Hailu his first taste of first-team football. He came on for 12 minutes at the

end of the second half and did really well, so all in all it was a good afternoon's work."
